No veteran should be left behind.

SERVING NORTH GEORGIA VETERANS SINCE 2019

Chateau Elan Military Support Foundation is a 501(c)(3) non-profit organization that was founded by a group of neighbors to organize and fund aid supporting military veterans and their families in North Georgia. There are over 600,000 veterans living in Georgia, with approximately 54,000 veterans living in north central Georgia alone (Barrow, Gwinnett, Hall and Jackson Counties). Since 2019, Chateau Elan Military Support Foundation has distributed over \$150,000 to support veterans in North Georgia, focusing on Barrow, Gwinnett, Hall, and Jackson Counties.

Our Support of North Georgia Veterans Since 2019

Over
\$30,000

in direct assistance to North Georgia veterans for basic needs and emergency housing. This direct support included hotel vouchers for veterans facing homelessness, car repairs, food donations, Christmas gifts, funeral and burial expenses, payment of car insurance, purchase of a wheelchair, purchase of a generator for a veteran dependant on a respirator, and other essential items. We identify veterans in need through our partnerships with other local organizations serving veterans.

Approximately
\$50,000

in housing assistance for North Georgia veterans. We have repaired and renovated veterans' homes, ensuring they have safe and suitable living conditions. Some of these projects have included modifications to homes of disabled veterans. We also partner with Habitat for Humanity to help provide affordable homes for veterans. We are continuing our commitment to safe and affordable housing for veterans in 2025 with the sponsorship of a Habitat for Humanity Gwinnett build for a veteran and his young daughter.

Approximately
\$55,000

in funds to support mental health for North Georgia veterans. We purchased a car for the PTSD Foundation Gainesville to use for crisis response and supported the PTSD Foundation's Camp Hope program for combat veterans. We also support Doc's Healing Hives, a North Georgia organization that helps veterans heal through the vocation of beekeeping. Through our partnership with The Headstrong Project, we are funding free mental health sessions in Barrow, Gwinnett, Hall and Jackson Counties.
